

WOODSTOCK

Introduction

There is nothing like a beautiful well designed dress to really show a women's beauty. Whether you're looking for evening, morning, or something to simply wear on a night's out, we have every dress you can imagine to make you look and feel great.

Profile

Woodstock has been providing dresses to women for years now, satisfying their taste and needs. By combining the right high quality silk and lace fabrics to produce the best designs, we have what you need to satisfy the needs of your client and make sure women always feel and look great. From the beginning of our journey, Woodstock has continuously created the best for the best and has grown to be a well-known and respected label.

Mission & Vision

Mission

Through innovation, hard work, and outstanding customer service, we will continuously provide women with the best dresses possible.

Vision

Our vision is to be one of the most respected companies in the fashion industry, globally.

What we do

We are very passionate about our dresses and do everything we can to make them as high quality as possible. Every Woodstock dress made is very important and this is the main reason why we dedicate our efforts into design and the quality of the dresses produced. By producing our dresses in Lebanon, we are easily able to conduct the quality control checks necessary to ensure every dress is finished impeccably, tastefully and to perfection.

Our dresses are all magnificently designed and crafted from high quality silk and lace fabrics. They are also accented with outstanding hand detailing tailoring, and embroidery. Woodstock fashion offers the style, the look, sophistication, and the elegance of high fashion gowns at a very affordable price.
